

## Directions to Olig (the Reids) at 202 Wylies Road Cygnet

From Hobart go up Davey Street and take the Southern Outlet to Huonville (~50 km). Don't go over the overpass into Kingston - stay left to turn right at the roundabout and go under the overpass.

At Huonville turn left at the bridge to go to Cygnet (18km). Do not cross the Huon River.

Turn sharp left.

B

Go over the bridge and take the left fork (Slab Road).

D

After 2 km there is a single lane bridge.

Facing you as you across the bridge is a gravel road going up the hill

E

There is a "No Through Road" sign at the bottom of the road.

Take the gravel road (Wylies Road).

F

Keep going past the end of Constance Road.

G

After 1 km there are a few buildings and a gravel quarry. Turn right just past the quarry and travel for 800m through the bush.

I

Ignore the sign.
